

## XLNC AUTUMN CONFERENCE 14-16 SEPTEMBER 2018 MADRID, SPAIN

XLNC is a multidisciplinary association of independent professional firms, counting on multiple accounting firms, law firms and chosen management consulting firms as members worldwide. Different disciplines have a much higher potential of referring business to each other, and XLNC follows this strategy in order to enhance the business-exchange opportunities between members in multiple jurisdictions.

At XLNC, we believe in strong, entrepreneurial and innovative independent firms who have international clients and the ambition to serve them better. Thanks to a global association of like-minded professional firms, XLNC members can ensure client retention, seamless transnational services and the personal exchange necessary to build up the mutual trust between them and their peers.

XLNC supports the development, ensuring smooth and consolidated growth, facilitating possibilities to network, to exchange views, ideas, know how, to benchmark and to share business and experiences. After all, that's what a professional association is about.

The XLNC Autumn Conference will take place in Madrid, Spain between 14-16 September 2018. Delegates from all around the world will have this chance to meet with each other and take advantage of a full programme consisting of keynote speeches, networking sessions, welcome dinners and social activities.

Further information will be sent to members in the coming weeks. For any questions, please contact us at [info@xlnc.org](mailto:info@xlnc.org).
